

FREE Bike Lights !

4:30 Sunday Nov 2 at the Oxford Depot

It's getting dark earlier. Next week, after the time change, the sun will set shortly after 5pm. Statistics show that over half of all cyclists killed are hit while riding after dark without lights even though only 3 percent of bike riding is done at night.

All Oxford cyclists are invited to bring their bikes to the Oxford Depot on Sunday evening to receive a FREE bike light. We have over 80 LED headlights (\$25 - \$35 retail) to give away. Members of the Pathways Commission, the Oxford Cycling Club and local law enforcement will be on hand to help install the lights and give a few safety tips.

Location: The Oxford Depot / Ford Center Parking Lot

Date/Time: Sunday Nov 2. 4:30 p. m.

At the event:

- Bicycle required to get a light
- One light per person
- Register your bike with UPD
- Get bike safety tips - handouts and demonstrations
- Twilight ride from campus and to the Square

Sponsored by the Oxford Cycling Club, the City Pathways Commission, the University of Mississippi, Active Oxford and The Oxford Bicycle Company.
